

Why B.Voc:-

It is a initiative of Government to align higher education with the emerging needs of the economy so as to ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. It is a course where more importance is given to practical education than the customary theoretical education. **B.Voc (Bachelor of Vocation)** is a regular 3 years degree recognized by UGC (University Grants Commission of India). Just like B.Sc/BA/B,.Com/B.Tech.

It has multiple exit options as

- Diploma (after 1 year)
- Advance Diploma (after 2 years)
- B.Voc Degree (after 3 years, i.e. end of the course)

If by any chance you wish to leave the course and then after some time you wish to re-join the course, then you can easily re-join from the year where you left it.

- **Eligibility for admission:** 10 + 2 or equivalent, in any stream
